

How To Read Your Bill

1. Renville-Sibley general contact information is provided here.
2. Your name and billing address are printed here.
3. The statement date, account number and due date are conveniently located at the top of the bill.
4. This section shows total activity since your last statement including the previous balance, any late charges, payments received and the balance carried forward if any. Current charges are listed and the total amount due. If any of this information does not match your records, call the Renville-Sibley office.
5. A message from your cooperative will be placed in this section.
6. Details of your map location for Renville-Sibley, service address and the substation that provides power to this service location are listed here. Also listed are all meters, service dates, days of service in this statement, meter readings, the multiplier and usage for each meter along with the rate description.

7. A usage graph displays the usage for the **main meter only**, the average daily temperature and the average daily kWhs for the current statement.
8. The detail of the charges for this location is shown here along with the total current charge amount. This section will also include information on the Operation Round Up amount added to your electric statement. At the bottom of this section will print a total amount due on the due date and the amount due after the due date.
9. A reminder will print in the section if you have a delinquent bill.
10. Be sure to return the bottom portion of the statement with your payment to ensure proper credit to your account.
11. Your address and contact information are printed in this section. If you have any changes to your address and/or phone number, check this box and update the information on the back of this statement.
12. The total amount due (before and after the due date) is printed here. If you have signed-up for automatic bank draft, that will be documented in this section.

Additional information is located on the back of your bill including what to do when the power is out, Gopher State One Call information, information on various methods to pay your electric bill and SmartHub information.
